Kyoto Japan Quick Service Centres

**QUICK SERVICE CENTRE IS A NOVEL CONCEPT OFFERED ON "FRANCHISE BASIS"
BY KYOTO JAPAN TIRE GROUP IN DIFFERENT MARKETS, UNDER THE SUPERVISION OF THE
LOCAL KYOTO JAPAN OFFICIAL DISTRIBUTOR.**

The concept allows the official distributor; or an investor or entrepreneur; to finance and develop a chain of such Quick Centres in specific region(s) in their market. It also provides an opportunity for an existing workshop or groups of

workshops to modernize their facilities to enhance their operations and to increase their profitability. The stylish unique architectural design of Kyoto Japan Quick Service Centres; created by renowned European architects; differentiates them

from competitor workshops. Each Quick Service Centre has a modern showroom with reception with a retail section, a comfortable and stylish waiting area with all amenities on the mezzanine, reached by a modern curved staircase. The client

Symbol of Quality & Performance

waiting for service can relax in the lounge area on the mezzanine while viewing the service on their car in the service bays across full height glass partition.

Quick Service Centres are modular and are ideally located in high traffic zones that offer good visibility with adequate customer parking with minimum 3 service bays. Kyoto Japan Quick Service Centres provide warranty and offer a range

of quick replacement services for all vehicles; using Kyoto Japan original parts; namely: Changing Tires, Batteries, Brake Pads & Discs, Clutch, Lubricants, Adding Oil, Fuel & Coolant Additives, Oil, Fuel, Air & Cabin Filters, Belts & Timing Belt/Chain, Spark Plugs, Lights, Wipers, Hoses, Adding Defrost Fluid, Adding Windscreen Washer, Car Wash, Cleaning & Polishing of the vehicle.

Kyoto Japan will provide its high-quality parts and technical support for all services and all makes of vehicles and will provide consultancy on the selection of tooling and equipment. A training programme ensures that all technicians and staffs observe strict code of conduct and professional service. The franchisee would be obliged to comply with Kyoto Japan's Corporate Identity Standards.

Kyoto Japan After Sales Service, Warranty & Support

Warranty on Tires

Distributor shall set up and maintain suitable show-room/warehouse with a sufficient inventory of KYOTO tires to ensure effective sales covering the entire Territory. KYOTO will furnish Distributor with catalogue/brochures and other related literatures.

KYOTO hereby warrants and guarantees the tires against any defects of workmanship and material generally for the period of 2 years from the date of shipment by KYOTO; the latter do not take any responsibility or any liability for claims on tire(s) subjected to driving abuse and miss application. The period of warranty for Radial OTR Tires is 5 years and for All Steel Radial TBR tires is 3 years from date of shipment.

KYOTO's warranty shall be entirely excluded whenever:

- The tire serial number is intentionally abraded or altered
- The claimed tire has been repaired, buffed, re-treaded or re-grooved
- The claim is due to misuse of the product and improper application (such as in case of irregular air pressure, overloading, excessive speeding, vehicle having mechanical defects, irregular and unstable rims, etc.).
- The claimed defect is due to normal wear and tear of the tire.
- The claimed defect is due to Distributor's or its dealers' non-compliance with the provision of storage.

If any defect is claimed by the customer within the limits set forth and the warranty conditions indicated; then Distributor is obliged to recover the claimed tire(s) from the customer and keep it stored at the disposal of the KYOTO technicians.

It is understood that any claim raised by Distributor on KYOTO for manufacturing defects, once approved, shall be settled on the basis of the FOB value of the Product. The Distributor waives any and all rights to the payment of other damages including loss of income, penalties or reputational

damages.

Warranty on Other Products

• KYOTO hereby warrants and guarantees the products against any defects of workmanship and material for the period of 12 months from the date of invoice of the Distributor to its customers and maximum 18 months from the date of shipment by KYOTO.

• The latter do not take any responsibility or any liability for claims on tire(s) subjected to driving abuse and miss application.

• If any defect is claimed by the customer within the limits set forth and the warranty conditions indicated; then Distributor is obliged to recover the claimed tire(s) from the customer and keep it stored at the disposal of the KYOTO technicians.

• It is understood that any claim raised by Distributor on KYOTO for manufacturing defects, once approved, shall be settled on the basis of the FOB value of the Product. The Distributor waives any and all rights to the payment of other damages including loss of income, penalties or reputational damages.

A local Kyoto Japan Warranty Card shall be prepared with serial number with hologram (to prevent counterfeit) and all serial numbers shall be recorded for all sales of Kyoto Japan parts and other products, as applicable, to clients.

All auto parts will carry a tamper-proof Hologram label to show authenticity and originality.
